THE DEATHS OF SYBIL BOLTON

Oil, Greed, and Murder on the Osage Reservation

By Dennis McAuliffe Jr. with a new foreword by David Grann, author of *Killers of the Flower Moon*

Journalist Dennis McAuliffe Jr. grew up believing that his Osage Indian grandmother, Sybil Bolton, had died an early death in 1925 from kidney disease. It was only by chance that he learned the real cause was a gunshot wound, and that her murder may well have been engineered by his own grandfather. As McAuliffe peeled away layers of suppressed history, he learned that Sybil was a victim of the “Osage Reign of Terror”—a systematic killing spree in the 1920s when white men descended upon the oil-rich Osage reservation to court, marry, and murder Native women to gain control of their money. Previously published as *Bloodlands*, *The Deaths of Sybil Bolton* is part murder mystery, part family memoir, and part spiritual journey.

A CHEROKEE FEAST OF DAYS, VOLUMES I, II, AND III

Daily Meditations

By Joyce Sequichie Hifler

In these three volumes, beloved inspirational writer Joyce Sequichie Hifler offers help and encouragement drawn from the philosophy and history of the Cherokee and other tribes. A day-by-day guide, *A Cherokee Feast of Days* brings Native American philosophy to people of all faiths, and to those seeking faith. Rich in images drawn from the natural world, Hifler’s writing helps us feel our own kinship with the earth we inhabit, so that we may be in tune with the natural harmony of each changing season and may walk in the beauty of that harmony every day.

BLOOD KIN OF JESUS

James and the Lost Jewish Church

By Kenneth Hanson, PhD

Bringing together recent archeological discoveries and the best contemporary scholarship, Kenneth Hanson, PhD, tells the fascinating, often-ignored story about the ultimate fate of Jesus's mother, brothers, sisters, and closest followers. The story of the Jerusalem Church led by Jesus's brother James was dropped from the New Testament as the scriptural spotlight followed the ministry of Paul. Now, using the latest discoveries, including some of his own original research, Kenneth Hanson picks up the story where the Bible leaves off, answering a question that many Christians have long asked: Whatever happened to Jesus's family and the original Christian movement based in Jerusalem?

THE CIRCLE IS SACRED

By Scout Cloud Lee with Carol Ann Washburn

Ceremony is the most powerful agent of change. Any time you bring yourself to the Circle, your problems begin to dissipate. You are part of larger whole, and that is healing. Beginning with the aboriginal knowledge that "each thing has a 'medicine,' 'skan,' or 'power,'" Scout Cloud Lee shows readers how to embrace the gifts of all life—to join the Sacred Circle—and enhance their potential for meaningful achievements.

A CIRCLE OF PRAYER

Coming Together to Find Spirit, Caring, and Community

By Holly Bridges

People in a prayer circle may live next door, or they may live thousands of miles apart, but when they pray together they form a soulful connection that defies distance. They may be Christians, Jews, or Buddhists; they may pray for peace, health, and well-being, for friends and for complete strangers; they may have come together through a crisis, a life-change, an illness, a new relationship, but they come together to support each other through prayer. This book of true stories examines the power of collective praying, and how it can transform forever the lives of those bound together in the common experience of meditation and prayer.

DEAD SEA SCROLLS

The Untold Story

By Kenneth Hanson, PhD

For two thousand years, the Dead Sea Scrolls lay hidden deep in the caves of the Judean desert, unread, untouched, and forgotten. That is, until the 1940s when by sheer happenstance a Bedouin shepherd stumbled into the first of the caves and found himself faced with the jars containing these ancient Jewish texts. The rediscovery of the scrolls sent shockwaves through several religious communities, and for half a century, historians and academics poured over the mysterious texts. *Dead Sea Scrolls: The Untold Story* captures the excitement of this period, explaining what we have learned from these treasured works, and the truth about the ancient Hebrew sect that wrote, preserved, and died defending them.

ESSENE BOOK OF EVERYDAY VIRTUES

Spiritual Wisdom from the Dead Sea Scrolls

By Kenneth Hanson, PhD

From renowned Hebrew scholar Kenneth Hanson, author of *Dead Sea Scrolls*, comes a contemporary handbook of spiritual living based on the 2,000-year-old practices of the Essenes. Drawing on his extensive knowledge of the original Qumran Caves scrolls, Hanson distills and translates the most evocative passages of the ancient texts into a clear and profound manual broken into sections for the ten primary Essene virtues. Honoring the practice of simplicity, community, perseverance, and honest labor, this book enables modern readers to share in the timeless vision of the “Sons of Light.”

HENRY HUDSON AND THE ALGONQUINS OF NEW YORK

Native American Prophecy & European Discovery, 1609

By Evan T. Pritchard

The year was 1609, and British explorer Henry Hudson had landed in North America at the bidding of the Dutch East India Company. But Hudson was not the first man to set foot on Manhattan Island. *Henry Hudson and the Algonquins of New York* chronicles this historic “discovery” with a hereto unknown perspective—that of the people who met Hudson’s boat on their shore. Using all available sources, including oral history passed down to today’s Algonquins, Evan Pritchard tells a colonization story through several lenses: from Hudson himself, as well as his body guard, scribe, and personal Judas, Robert Juet; to the Eastern Algonquin people, who saw his boat as a floating waterfowl, and his arrival as the fulfillment of an ancient prophecy.

THE HOOP AND THE TREE

A Compass for Finding a Deeper Relationship with All Life

By Chris Hoffman

The “tree” is the vertical dimension of aspiration, individual growth, and intellectual and spiritual development. The “hoop” is the circular representation of our relationship with humanity and the earth. Using examples from Native American and other ancient traditions, Chris Hoffman shows readers how to develop both parts of the whole to help people lead a more contented, complete existence.

KABBALAH

The Untold Story of the Mystic Tradition

By Kenneth Hanson, PhD

Kabbalah is a golden vein in Western spiritualism—a mystic tradition that survived over three millennia of inquisitions and purges. Kenneth Hanson, one of the world's leading experts in this ancient body of knowledge, clarifies and explores the meaning of the Kabbalist mysteries: the sacred Name of God, secret understandings of the Creation, the Four Worlds, the art of numerology, and the practice of magic that derived from Kabbalistic studies. A powerful and accessible guide, *Kabbalah* brings to life a meditation that has spanned centuries and transcended religious, cultural, and geographic borders.

NATIVE NEW YORKERS

The Legacy of the Algonquin People of New York

By Evan T. Pritchard

To be stewards of the earth, not owners: this was the way of the Lenape. Considering themselves sacred land keepers, they walked gently; they preserved the world they inhabited. Drawing on a wide range of historical sources, interviews with living Algonquin elders, and first-hand explorations of the ancient trails, burial grounds, and sacred sites, *Native New Yorkers* offers a rare glimpse into the civilization that served as the blueprint for modern New York. A fascinating history, supplemented with maps, timelines, and a glossary of Algonquin words, this book is an important and timely celebration of a forgotten people.

SECRETS FROM THE LOST BIBLE

By Kenneth Hanson, PhD

Ancient scriptures, hidden from the world for centuries, were found among the ancient library of the Dead Sea Scrolls. Others include assorted mystical writings known as Kabbalah, and a host of books that never made it into the Bible, called Apocrypha and the Pseudepigrapha by those who suppressed them. Additionally, there are the Gnostic texts of Nag Hammadi—a location in Egypt where a treasure trove of lost books was discovered in the middle of the 20th century. Collectively, they comprise the "Lost Bible." For centuries, these manuscripts were systematically suppressed because their liberating messages of individual power and worth challenged the authority and pet philosophies of political and religious leaders.

WHEN THE NIGHT BIRD SINGS

By Joyce Sequichie Hifler

In this collection of luminous vignettes, beloved inspirational writer Joyce Sequichie Hifler, author of *A Cherokee Feast of Days* and *Think on These Things*, tells for the first time the story of her own childhood spent in Cherokee Country. From a family so poor that an eight-dollar monthly check was a godsend, Hifler shares the profound lessons she learned from her elders and from the Great Spirit. A gracefully written story of contemporary Native American life and spirituality, *When the Night Bird Sings* soars with trademark Hifler insight, a poignant appreciation for nature, and the universal magic of childhood.
